

MUSKWA JOURNAL NOVEMBER 2020

Greetings

Happy belated Halloween to everyone, hope you enjoyed all the goblins, ghosts etc. that came to your door. We are so glad that Dolores has returned to work. She is back at the Health Centre so if you have any questions regarding health issues please call her.

Virtual School

We would like to welcome our new Teacher George who is from Saskatchewan and is overseeing the education of our children and guiding our Teacher Aides. A reminder to the parents to check the menu that was included in our September newsletter (can get an additional copy at Band Office) to make sure that the item for the day is something that your child and/or children like and if not to provide a lunch for them. We provide a snack for the am but not for the afternoon so if you could provide something for them if you think they require an additional snack.

Housing Information

Reminder if you need repairs done you have to call the office and we fill out a work order for the maintenance to be done and then we will send someone over with the work order so that you can sign it once the work is complete.

Road Work

Even though the application was done in the spring for the funding to upgrade the roads and install the culverts we did not get the funds until beginning of October, 2020. Now it is starting to freeze up and snow therefore we may only be able to do a portion of the work and complete the project in May 2021, so far we were able to do the ditching and have installed some of the culverts. Hopefully the weather cooperates with us and we can do the upgrades on areas of the road that need it and putting the road signs up.

Isolation Trailers

The three isolation trailers were delivered a couple of weeks ago. We have the pad done for where they will be situated by the Health Centre. We are in the process of connecting the services and moving them onto the pad that has been prepared.

Health Centre - Halloween 2020 Winners

Ages 0-4

1-Kannan Halcrow \$75

1- Keira Halcrow \$75

1- Lincon Halcrow \$75

** JUDGES DECIDED THEY ALL WIN FOR FIRST PLACE (ONLY 3 ENTRIES)

Ages 5-8

1- Tahlyen Halcrow \$100

2- Christopher Halcrow \$75

3- Chloe Halcrow- \$50

Ages 9-12

1- Jarryn Knibb \$100

2- Dom Halcrow \$75

3- Maybelle Halcrow \$50

Ages 16-18

1- Savannah Grandjambe \$100

2- Shakyra Anderson \$75

Door Winners

1- Stacey Halcrow \$250

2- Jayden Gauchier \$200

3- Marlene and Trevor Halcrow \$150

Story Winners

1- Zack Halcrow \$100

2- Savannah Grandjambe \$100

* ONLY TWO ENTRIES

VIRTUAL SCHOOL HALLOWEEN CONTEST

Grade K and 1

1. Bria Cloutier-Knibb
2. Tayhlen Halcrow
3. Samuel Halcrow

Grade 2 and 3

1. Elizabeth Chalifoux
2. Chloe Calliou-Halcrow
3. Nikosis Halcrow

Grade 4, 5 and 6

1. Trentin Knibb-Willier
2. Dominic Halcrow
3. Hailee Cloutier-Knibb

Grade 7, 8 & 9

1. Maybelle Halcrow
2. Isaiah Halcrow
3. Kylie Johnson

OVERALL WINNER

Jaryn Cloutier-Knibb

Committee Members Needed Kapawe'no Virtual School

* Kapawe'no First Nation is looking for 5 members to join our committee.

Please submit your letter of interest to the administration office.

EMAIL: admin@kapaweno.ca
FAX: 780-751-3864

Tansi!Parents/ Guardians,

Please consider the following letter as formal introduction of Mr. George Stone...I have been involved with the Kapawe'no Virtual School since Monday, October 19,2020. Thus far I am very impressed with the most recent strides taken by Kapawen'no FN, Sturgeon Lake FN, Mr. Bryan Richardson and the overall efforts thus far in this new age of COVID...by all those who have had a hand in developing and maintaining the virtual programming, "Kudos" to all!

I am originally from Saskatchewan (Whitecap Dakota Sioux FN 20 min's South of Saskatoon, I was raised by my Grandmother), my Father was the Late respected Elder, Soloman Stone of Mosquito Grizzly Bear's Head Lean man First Nation (a Cree community @ 20 minutes South of North Battleford, Sk.). I moved to Alberta in 1999-in St. Paul, AB @ Poundmaker's Adolescent Treatment Centre as Principal, since then I have had the privilege of working in various First Nation communities such as: Frog Lake, Bigstone Cree Nation, O'Chiese FN, Tsuu Tina FN, Assumption Dene Tha FN, Siksika FN, also in various Cree, Dene, Metis communities throughout Saskatchewan & Alberta.

My present role will involve possibly the on-site administration @ Kapawe'no First Nation Virtual School, also meeting regularly with Mr. Bryan Richardson to organize moving forward! Also I will be directly involved in the Jr High Class @ Kapawe'no as an instructor!! I look forward to working closely with all of the very capable Education Assistants, again I have been very impressed with the present T.A.'s @ Kapawe'no Virtual School! From my vantage point the virtual school program is a very good program, the most imperative skill our students will have to learn and promote "*Independent Learners...*"

Whereas, the students are entrusted to be totally involved in their own education! *Hiy Hiy! So far as I can visibly see, all Kapawe'no students have a good grasp on the independency of the virtual school...*

I would just like to thank Mr. Richardson, Chief and staff for allowing me the opportunity of working in the Kapawe'no Virtual School! Where I recently came from the community is attempting to startup a Virtual Program also, but to see Kapawe'no Virtual School in action is very exciting, and you should all be proud of the virtual efforts that have so far been innovated....

Most recently, Sturgeon Lake FN & Kapawe'no Schools' hosted a staff exchange, whereby, our staff went to Sturgeon and Sturgeon staff came to Kapawe'no, the positive comments @ our students was very impressive...as usual! Awesome job, Kapawe'no Virtual students!

Lastly, just a quick overall review: Please communicate with your child(ren) to show Respect on a daily basis, work to the best of their ability, continue to be diligent in wearing masks, sanitize and we can all stay safe during this new age of COVID Protocols!

Respectfully Yours,

George Stone

Flu Clinic

Where: Health Centre

When: November 10, 2020

Time: 1-7 pm

Please wait in your vehicle until directed to come inside the health centre, you will be required to hand sanitize and wear a face mask.

Multiple prizes to be won

Medical Transportation

Good Day My Fellow Kapawe'no Members. My Name is Colin Chalifoux, for those of you, that don't know me. I am a member of this First Nation. I have been with the Health Centre here, for a couple years, as a driver, and have now currently been hired, to cover off for the Medical Transportation Coordinator, who is off for one year.

I would like to bring a few items to point...

Please Take Note: I need to have **2 business days**, in advance, for booking Local Medical Trips. Also for out of area Medical Trips, I require **5 Business days** in advance. This appointment Confirmation should include the following information. Date, Time, name of doctor, or health facility, Proof of escort if needed, where you would like to stay, and if you require the Medical van, or private milage? I stress that I will not book any upcoming appointments without a confirmation faxed or brought to myself, beforehand!!!

Confirmation Slips: Please remember to have your confirmation slips signed after your appointment whether, it be local or out of area, and ensure that our office receives it. These are needed to ensure your next appt and/or travel warrant is completed.

Driver Safety: with regard to our Drivers and vehicles, We have provided Hand Sanitizer, Masks, and Sneeze/cough Guards for the protection of yourself and our Driver. We require that they be used and respected each trip.

Thank You, and I look forward to working together, and hope to do my best to accommodate your appointments, and needs to the best of my ability.

BIRTHDAY GREETINGS

November 11
Great big shout out to
Elizabeth (Beth)
on her 9th birthday
From Mom, Rudy, Sherman,
William and Francis

NOVEMBER 2020

Hello everyone!

Consultation would like to send a thank you to those who signed up for paperless delivery by providing their email and contact information to the office. We understand times have changed and we want to make things easier to distribute information to our community.

Our office was notified of the following new projects within Treaty 8 territory and we are looking for community input.

- Deltastream Energy Corporation: 2 pad sites, 2 access roads and a borrow pit near Marten Beach.
- Spur Petroleum: one pipeline running near Marten Beach and Narrows Creek.
- Murphy Oil Corp: 2 borrow pits near Fox Creek
- Pembina: pipeline near Whitecourt

Please see attached maps.

Also, we are gearing up for the field site assessments. We are looking for interested members for the technician and land user roles. Please contact the office to learn more and express interest. Once we establish a schedule you may have to wait for next rotation, unless there is a cancellation.

Remembrance Day

LEST WE FORGET

"They shall not grow old, as we that are left grow old,
Age shall not weary them nor the years condemn,
At the going down of sun and in the morning,
We shall remember them"

IN FLANDERS FIELD

In Flanders fields the poppies blow
Between the crosses, row on row
That mark our place, and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below.
We are the Dead. Short days ago
We lived, felt down, saw sunset glow,
Loved and were loved, and now we lie
In Flanders fields.

Take up our quarrel with the foe;
To you from failing hands we throw
The torch; be yours to hold it high.
If ye break faith with us who die
We shall not sleep,
Tough poppies grow

FAMILY VIOLENCE WHAT YOU NEED TO KNOW

Family Violence can happen to people of all ages, abilities, culture and spiritual background, gender identities and sexual orientations. Victims can be romantic relationships, divorced, children (birth, step, adopted or foster), grandparents or individuals with guardians or caregivers.

Know the behaviours:

Abusive and violent behaviours may include:

- Physical abuse
- Psychological abuse
- Criminal abuse
- Verbal abuse
- Sexual abuse
- Financial abuse
- Spiritual abuse
- Per cruelty

Know the warning signs:

Victims of abuse will often show the following;

- Withdrawal from family and friends
- Stop going out or doing activities they used to enjoy
- Have unexplained bruises or other injuries
- Show signs of depression or anxiety
- Children may be left alone, hungry, dirty or not dressed for the weather
- Seniors may seem frightened or withdrawn.

#GoPurpleAB in November for Family Violence Prevention Month

Family Violence Info Line: 310-1818
alberta.ca/EndFamilyViolence

Alberta

Know your plan

- Plan your exit strategy—know where you would go in an emergency and how you get there
- Tell someone you trust about the abuse
- Find out what help is available
- Seek professional help
- Spend time with people who are positive supports
- Talk to your children and help them understand they are not to blame.

Know how to be an ally

- Spread the word about the Family Violence info line at (310-1818) and other resources on social media.
- Participate in Family Violence Prevention month (November) by wearing a purple ribbon.
- Offer to help at your local women's shelter
- Set up workplace family violence prevention protocols and awareness workshops.
- Join clubs and associations that prevent family violence

Know how to help

It is important to be supportive if someone tells you they are experiencing family violence, or if you suspect they are being abused. Here's how you can help:

- Learn more about family violence to know the warning signs.
- Ask in a caring way if someone is hurting them and believe them when they tell you.
- Keep everything they tell you private.
- Help them access professional help and resources.

Know your rights:

A victim of family violence and abuse has a right to:

- Be free and safe from violence.
- Be treated with courtesy, compassion and respect.
- Get the information about their legal rights
- Press charges for criminal actions
- Have the maximum protection from abuse including restraining or protection orders.

“Together we can Break the Silence and Bring a Voice to Domestic Violence”.

FAMILY VIOLENCE WHAT YOU NEED TO KNOW

Know the resources

A victim of family violence and abuse has the right to:

- The safer places program helps victims of family violence to end their lease at no cost. Visit alberta.ca/safer spaces or call 1-877-644-9992.
- Emergency shelters provide shelter, protection and support. Call 1-866-331-3933 to find the emergency shelter closest to you.
- Health link provides healthcare advice 24/7 dial 811
- Native counselling services of Alberta at nca.ca

Visit alberta.ca/endifamilyviolence for additional resources

Call 911 if you or someone you know is in immediate danger.

Need Help?

Family Violence Info Line **310-1818**

- Call us toll-free 24 hours, 7 days a week.
- Available in more than 170 languages.
- In the event of an emergency, call 911.

endifamilyviolence.alberta.ca

STOP THE
VIOLENCE

*Safety is as simple as ABC
Always Be Careful*

SEAT BELTS AND CAR SEATS

What's holding you back? Protect yourself against the unpredictable with occupant restraints.

Purchasing and installing a child safety seat

When used correctly, child safety seats save lives and reduce the severity of injuries. But research has found that across Canada, misuse rates range from 44-81% for car seats and 30-50% for booster seats! Here are some tips for making sure your car seat or booster seat is installed properly.

General

- Make sure the child seat has a Canada Motor Vehicle Safety Standards (CMVSS) sticker on it. The CMVSS is a National Safety Mark that is proof the child car seat meets Canadian safety standards. You can see what the mark looks like on the Transport Canada website.
- Read the directions that came with the child seat. If you cannot find them, you may be able to find them online.
- Make sure your child is below the maximum weight and height limits for the child seat.
- Make sure the child seat fits your child and your vehicle and is easy for you to use. If possible, try it in your vehicle before purchasing or make sure it can be returned or exchanged if it doesn't fit.
- Read the child seat section of your vehicle manual. If you do not have a physical copy, you can look it up online.
- Check whether the model of child seat you're considering has ever been recalled.
- It is not recommended to buy a used child seat. Never use a child seat that has been in a collision.

Rear-Facing Car Seat

1. Always install in the back seat. The front seat has an airbag, which is very powerful and can hurt a child when it inflates.
2. Confirm (in the safety seat and vehicle manuals) whether your car seat should be installed using a universal anchorage system (UAS) or using a seat belt.

CAR SEAT
SAFETY
MATTERS

*Children improperly restrained in a
motor vehicle are at risk.*

CHILD SAFETY SEATS, USED CORRECTLY, SAVE LIVES

3. Check your vehicle manual for the location of the UAS lower anchor bars or for how to lock the seat belt to use with a car seat. If the seat belt does not lock, use a belt lock or locking clip.
4. Make sure the UAS belt or seat belt goes through the rear-facing belt path on the car seat (or removable base) and is clipped or buckled up.
5. Push down on the car seat (or removable base) and pull the UAS belt or seat belt tight.
5. The car seat should move less than 2.5cm (1") in any direction. If it's loose, push down again on the car seat and tighten the belt - using a knee to push on the car seat can help.

Forward-Facing Car Seat

1. Always install in the back seat. The front seat has an airbag, which is very powerful and can hurt a child when it inflates.
2. Confirm (in the safety seat and vehicle manuals) whether your car seat should be installed using a universal anchorage system (UAS) or using a seat belt.
3. Check your vehicle manual for the location of the UAS lower anchor bars or for how to lock the seat belt to use with a car seat. If the seat belt does not lock, use a belt lock or locking clip.
4. Also check your vehicle manual for the location of the top tether anchor.
5. Make sure the UAS belt or seat belt goes through the forward-facing belt path on the car seat (or removable base) and is clipped or buckled up.
6. Push down on the car seat (or removable base) and pull the UAS belt or seat belt tight. Hook the car seat's top tether strap to the tether anchor and pull tight.
7. The car seat should move less than 2.5cm (1") in any direction. If it's loose, push down again on the car seat and tighten the belt. Then tighten the top tether strap again.

*Booster Seats are only safe
when they fit.*

8. Check the harness for a good fit. The chest clip should be at the level of the child's armpits. The harness straps should be snug - if you can slide a finger underneath but can't pinch a fold in the harness strap, the fit is good.

Booster Seat

1. A booster seat must be used with a lap-shoulder seat belt.
2. If the spot in the vehicle where the booster seat will be installed does not have a head rest, choose a high back booster seat to provide the child with head and neck support. If the spot does have a head rest, choose either a high back or a backless booster seat.
3. Always install in the back seat. The front seat has an airbag, which is very powerful and can hurt a child when it inflates.
4. When sitting in the booster seat, the child should be able to sit up straight with their back against the seat back and their knees bent over the edge of the booster seat.
5. Check the seat belt for a good fit. The shoulder belt should cross the child's chest (not their neck) and the lap belt should cross their hips (not their stomach). If the booster seat has a shoulder belt guide, make sure to use it to get a good fit for the shoulder belt

As a parent or caregiver, you have the knowledge and skills to transport your child safely. There are also many educational resources available.

**Do you know the four steps
of car seat safety?**

Rear Facing

Rear facing provides the best protection for a young child's spine: rear face to a minimum of age 2, ideally age 4.

Forward Facing

When a child has outgrown their rear facing convertible car seat and is at least 2 years old, move to a forward facing seat with a five point harness.

Booster Seat

When a child has outgrown their five point harness, is at least 5 years old, and is mature enough to sit properly, move to a belt positioning booster

Adult Seat Belt

When a child is at least 10 years old and can pass the Five Step Test, move to a seat belt alone.

Seatbelts
Are
For
Everyone

“We’re all a piece of the puzzle, and together, we’re united against bullying.”

ANTI-BULLYING WEEK NOVEMBER 2020

The theme for Anti-Bullying Week 2020 is:

United Against Bullying. Anti-Bullying week will happen from Monday, November 16th to Friday November 20th, 2020.

Bullying can happen to anyone. It is repeated mean, cruel, hurtful behaviors done on purpose by someone with more power. We all have the power to make a huge difference in stopping and preventing bullying.

Bullying Facts:

- **Bullying is NOT a normal part of growing up.** People who have been bullied can experience depression, substance misuse, criminal behavior and suicide. People who bully others can have difficulty having healthy relationships when they become adults.
- **Bullying is different from friendly teasing.** To tell the difference, consider intent—was the person intending to cause hurt? Even when there is initially no intent to harm the other person, teasing can cross the line and turn into bullying behavior.
- **Bullying is based on an imbalance of power.** People can use things like age, popularity, social status, size, physical strength, money, possessions, or information/expertise to gain unhealthy power over others.
- **Bullying is usually repeated over time.** Bullying usually involves the same person being targeted over and over again.
- **Standing up to bullying can make a difference.** When people stand up and intervene, more than half the time the bullying will stop in 10 seconds or less.

You're not alone.

Alberta

Lakeshore Regional Police Victim Services

A message from LRPS Victim Services:

Hello Community Members hope all is well with each one of you. Just wanted to let you all know that The Victim Services Unit is now a part of the Lakeshore Regional Police Service. With this new outcome there are a few changes to the program. New changes include new contact numbers (1-855-299-0138) and new programs. This program is a new service delivery-based program comprised of a suite of services (sub programs), which will provide supports and services to Victims of serious violent crimes and families of homicide. The three new sub-program services include:

Victims of Crime Counselling Program: Provides access to immediate short-term supports to assist victims of crime in dealing with the psychological impact they have experienced.

Emergency Crime Victims Assistance Program (formerly known as Financial Benefits): will support victims of violent crime with short-term financial support related to safety and security needs.

Court Attendance Expense Reimbursement Program: Provides reimbursement for expenses for families of homicide and provides a support person for victims of sexual assault to attend court proceeding not covered under the Alberta Crown Prosecution Services witness expense program.

Other Services Available

- ◆ Emotional Support
- ◆ Information and Referrals to Community Agencies
 - ◆ Risk Assessment and Safety Planning
- ◆ Information and Assistance for provincial Victims of Crime Financial Programs
 - ◆ Updates on the status of your case
 - ◆ Navigating the Legal System
 - ◆ Court Preparation and Accompaniment

NOTE: VSU does not provide monetary assistance, these are provincial programs which we assist you in applying for.

REMINDER

KAPAWE'NO FIRST NATION SECURITY PROTOCOLS

Residents entering or leaving Kapawe'no First Nation will be required to check in with security.

Security cameras are monitoring. Security personnel and security cameras will be monitoring.

Visitors/Family visits - Please provide 24 hour notice to security for any visitors; visitors will be subject to Covid Screening. Without 24 hour notice visitors may not be allowed.

Security personnel is responsible to monitor the gate only. Any problems beyond the gate requiring assistance is the responsibility of the members to call (for example ambulance, police).

Security gate is still up and running and doing the best to help and monitor traffic flow onto the First Nation. Big thank you to members for their cooperation. There are those that still don't stop to check in at the gate, so please stop at the gate and check in with security. Members informing security if they are having visitors coming on the First Nation as well with family members visiting is getting better than what it was. With continued support and cooperation with members this issue can be resolved.

Security training was held at the band hall and was very successful. There are positions open for security at the moment so please call Lyle Halcrow if interested.

Lyle Halcrow
